

**Young Artists Solo Competition**  
**APPROVED REPERTOIRE**

**Rationale:** These pieces have been chosen because they are representative of the literature available for each instrument, and draw upon the skills required to play that instrument at a high standard. This list does not intend to be exhaustive. It is limited in part by financial considerations: most works are in the public domain, or else orchestra parts are known to be available at a reasonable price. Teachers and contestants should take into consideration the fact that the opportunity to perform with the Fargo-Moorhead Symphony is contingent on affordability, as well as the quality of the contestant's playing and other factors. **Substitutions are only possible with FM Symphony approval NO LATER than November 17, 2023: 701-478-3676.**
